WELCOME VISITOR!

If this is your first trip to Los Angeles, the surprises in store for you are endless. For instance, it is interesting to note that Los Angeles is the second largest city in the Nation, and that Hollywood, the movie capital of the world, lies completely within the city.

Los Angeles was founded in 1781 by Governor Felip de Neve, who called it El Pueblo de Nuestra Sonora la Reina de Los Angeles -- the Village of our Lady, the Queen of the Angels. Noteworthy, too, is the fact that it was the last place to surrender to the United States in 1847.

The fantastic growth of the city itself has been due mainly to the citrus fruit industry, the motion-picture industry, oil, tourism, and general industry both large and small.

The radio and television studios maintained by the major broadcasting companies have made Los Angeles the entertainment center of the West. And more than two-thirds of all motion pictures produced in the United States come from the metropolitan district of Los Angeles. However, the only way to get into the movie studios is to have a personal contact or to take a sightseeing tour.

There is plenty of activity in Los Angeles for the numismatic widow, as well as the tired collector. So attend the Southern California Convention and enjoy yourself -- whether it is a vacation, the pursuit of your hobby, -- or just plain business!

Whatever your reason for being here ---

OTHER COMMEMORATIVE ISSUES

DOCUMENTED NO. 4 ISABELLA QUARTER

617. 1893 Heavily toned Brilliant Proof. While this condition is exceptional, the most outstanding feature of this Lot is the official documentation guaranteeing it to be the fourth coin struck in this Commemorative Series. Accompanying this coin are two documents, the first from the United States Mint, dated June 16, 1893, certifying that it was the fourth coin struck, and signed by the Superintendent of the Mint and attested to by the Chief Clerk. The second letter, dated August 25, 1894, reiterates this guarantee, giving more details and signed by the late Superintendent of the Mint. This very rare and unusual item is difficult to estimate but it is my opinion that it should bring around \$500.00

PIONEER GOLD COINS

CHRISTOPHER BECHTLER

778. \$5.00 August 1, 1834. 140 gr., 20 carats. AT RUTHERF. Very Fine or better, several slight nicks is the only thing that keeps it from grading considerably higher. Valued at \$600.00

CALIF. GOLD QUARTER EAGLE

779. 1848 Quarter Eagle. Struck at Philadelphia but with CAL over eagle on reverse denoting that it was struck from the first shipment of Gold received from California. Very Fine, a fine example of this rare historical coin. Auction records for similar condition slightly over \$2,000.00

OREGON BEAVER FIVE DOLLARS 1849

780. 1849 \$5.00 Oregon Exchange Company, usually referred to as the "Beaver Coins of Oregon" due to the unusual design. Obverse shows date under beaver and initials of members of the exchange; reverse, 130 G. below name of company and value. These coins are rare, particularly in choice condition. This specimen is in Very Fine or slightly better condition and is one of the better specimens known. It is conservatively valued at \$2,500.00

PIONEER GOLD COINS

MINERS' BANK

781. \$10.00 (1849) Miners' Bank, San Francisco. Issued by Wright and Company but not readily accepted; consequently, a limited amount was issued and very few are known. This specimen is Extremely Fine, showing very little if any wear and only slight evidence of handling. Valued at \$3,250.00

MORMON GOLD PIECES

782. 1849 Quarter Eagle. Obverse, Eye of Providence, bishop's mitre and religious legend. Reverse, Clasped hands over date, denomination and initials. Extremely Fine, of extreme rarity, particularly in such choice condition. Valued at \$1,500.00
783. 1849 Mormon \$5.00 Gold. Similar in design to the Quarter Eagle. Very Fine plus, a very scarce and desirable item. Valued at \$900.00
784. 1850 Mormon \$5.00 Gold. While it is somewhat different, the same general design prevails. Extremely Fine, microscopic edge nick which does not detract from the value or the appearance. Similar items have recently sold for over \$1,000.00

PIONEER GOLD COINS

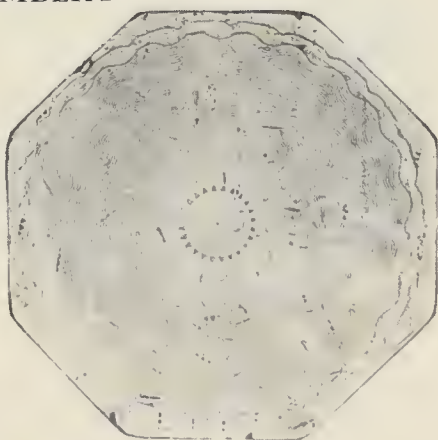

785. 1860 Mormon \$5.00 Gold. Lion over date on obverse. Reverse, Beehive and eagle. Practically Uncirculated, as a matter of fact, would be graded as such with the exception of a small edge defect. One of the most unusual and interesting of the Territorial series. We know of one similar specimen which changed hands at \$2,250.00

MOFFAT & CO.

786. 1849 \$10.00 Moffat & Co. Name of company on coronet of Liberty, date below. Minor dent on edge; otherwise, Very Fine. A rare and acceptable specimen, valued at \$500.00
787. 1850 \$5.00 Moffat & Co., similar in design. A considerably worn and abused coin. Good to Very Good, with scratches on obverse, still worth close to \$125.00

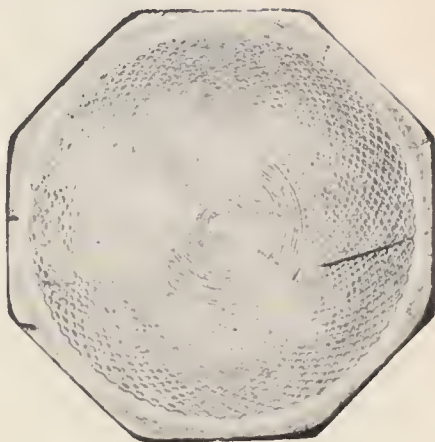

AUGUST HUMBERT

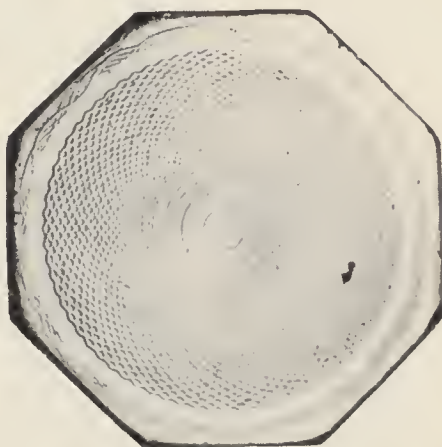

788. 1851 \$50.00 Slug. Eagle over 50 D C, 880 Thous. Fine. Reverse, Target design. "August Humbert United States Assayer of Gold California 1851" incused in edge. Very Fine to Extremely Fine, one of the better known specimens of this scarce variety. A few very minor nicks on reverse is all that keeps it from grading considerably higher. Conservatively valued at \$3,500.00

PIONEER GOLD COINS

Fifty Dollar Slugs

789. 1851 \$50.00 Slug, 880 Thous. Fine. Name and inscription on outside of circle on obverse, edge reeded. Target on reverse. A few minor edge nicks; otherwise, would be strictly Extremely Fine. A rare variety in exceptional condition. Valued at \$3,250.00

790. 1852 \$50.00 Slug, 887 Thous. Fine. Name and inscription on outside of circle on obverse. Reverse, target design. Choice Extremely Fine, as a matter of fact, the coin was purchased as Uncirculated. There is no evidence of actual wear. It is a beautiful example, in our opinion Ext. Fine and rare. Valued at \$2,750.00

PIONEER GOLD COINS

791. 1852 over 51 August Humbert \$10.00 Gold, 884 Thous. Fine. Noticeable die break on obverse which is consistent with the overdate variety. About Extremely Fine, \$750.00

UNITED STATES ASSAY OFFICE

792. 1853 \$20.00, 900 Thous. Fine, similar in design to the preceding lot. Very Fine plus, worth upwards of \$500.00

WASS, MOLITOR & COMPANY

793. 1852 \$10.00, variety with large head. About Extremely Fine exceptionally rare condition for this coin as most of those offered for sale are in less than Fine condition. A few minor edge nicks is all that keeps this specimen from being one of the finest known. Rare and valuable, should bring upwards of \$1,000.00

PIONEER GOLD COINS

794. 1855 \$50.00 Slug. An acceptable specimen of this outstanding rarity. Obverse shows a few slight nicks and second star is weak. "Dollars" on reverse is rather weakly struck.
